Attached hereto, in duplicate, is form PTO/SB/44 with at least one copy being suitable for printing.

The first error occurs in the patent on the front page where the assignee is incorrectly listed as Advanced Micro Devices, Sinc. The assignee information should list the name as: Advanced Micro Devices, Inc. The second error occurs in column 3, where a typographical error was made. These errors and the correction thereof are detailed in the attached form PTO/SB/44.

At least one of these errors are believed to have been made by Applicant since the incorrect assignee name was provided by applicants' representative on the Issue Fee Transmittal form (PTO-85B) submitted on April 15, 2004. Accordingly, a credit card payment form is filed concurrently herewith in connection with the fees required by 37 CFR 1.20(a) regarding this document. In the event any addition fees may be due and/or are not covered by the credit card, the Commissioner is authorized to charge such fees to Deposit Account No. 50-1063 [AMDP591US].
